### *With over 40 years of experience*

in public and nonprofit accounting, primarily in the field of affordable housing development and management, Kathy receives great joy serving residents both professionally and as a Lion.

She serves on the Board of Directors and Finance Committee for Counseling Services of Addison County, the local designated agency for mental health and developmental services.

She was appointed by the Governor to serve on the Special Education Advisory Council, a liaison between the Governor's office and school districts. Kathy served in both a financial capacity and as a parent representative.

She is active in her church and served on the Parish Council, Finance Committee and Buildings and Grounds Committee. Kathy and her partner, Lion Jim McClay, own and breed Morgan horses. She has three grown children and is an avid quilter.
